KNOWING ENGLISH IS NOT JUST ABOUT GRAMMAR, IT'S ALSO ABOUT COMMUNICATION SKILLS, CONFIDENCE AND ACTIVE PRACTICE – SOMETHING ORDINARY ACADEMIC ENVIRONMENTS DON'T OFFER.

The program is designed to build both your English communication skills and your interpersonal skills. In the classroom you will engage in many communicative activities with teachers who genuinely care about you as people.

You can make new friends from around the world. For many teens SLI is the first chance to experience a taste of independent living and university life. We provide a safe and well-organized setting to make sure your experience is positive. In the residence halls we have trained resident assistants and resident directors who work to ensure a safe and fun environment for everyone.
