“THE MASTER’S DEGREE AT LCC HELPED US GROW

...professionally and personally. It taught us that no matter what life brings us, we can succeed if we have determination and work hard, of course, with the best mentors by our side, our professors. LCC takes care of its students, values them and makes sure they succeed. Pursuing the Master's Degree at LCC was a great decision."

ON CAMPUS EXPERIENCE

Twice during the program, in August of the first year and August of the second year, students and faculty meet at the LCC campus for ten days of intensive study and interaction. In the final year, students spend a week on campus to defend their thesis research and attend their graduation. These are great opportunities to meet faculty

and fellow students, and form relationships with growing professionals and future business leaders. The campus is located within walking distance of the heart of Klaipeda old town and the Baltic Sea. It is conveniently connected by public transport network so you will have no trouble getting around.
