Never Give Up**

"LCC taught me to think. I remember one of the posters that LCC magazine had at the time. It said: Think outside of the box. I still use this advice every single day. In order to stress how important that learning is, I will quote Thomas A. Edison one last time: "Five percent of the people think; ten percent of the people think they think; and the other eighty-five percent would rather die than think."

LCC Needs More Trees**

"If you ask LCC's international students what they love about Klaipeda, they'd definitely mention the Baltic Sea and nearby forests. We love local nature and of course we want to help sustain this amazing environment here! Apart from that, it was great to implement a project that promotes teamwork. It really brought the LCC community together!"
